

Gas Flow Fittings

Page 1

nbsPlus

- Fully comprehensive wide range of fittings
- Facilitates the dilution and dispersal of dangerous gases
- Used extensively across the UK
- Supported by a full gas venting technical design support service

Visqueen offer a variety of solutions to disperse gas from beneath buildings. The type of passive venting outlet and fitting to disperse gases is dependant on the building type and the amount of gas flow - Please consult Visqueen Technical Support Team for further information.

Visqueen's comprehensive range of fittings connect the vent mat to outlets and safely disperse gas from beneath buildings.
